

The Indian cricket team is all set to take on some of the biggest challenges in world cricket with a packed schedule of matches scheduled from 2023 to 2027. With major ICC events such as the World Cup, as well as a number of high-profile bilateral series, Indian cricket fans are in for an absolute treat.

The [World Cup in 2023](#) will be a major focus for the Indian team, who will be looking to secure their third title after winning the tournament in 1983 and 2011. With a talented pool of players at their disposal, the Indian team will be confident of their chances of lifting the trophy once again.
